Introduction:

Mahindra & Mahindra, is a leader in the tractor and utility vehicles space. They are a US \$17.8 billion global federation of companies. Famous for their rugged and reliable automobiles, some also know them for their innovative IT solutions, and others for their commitment to rural prosperity. They are the world's largest tractor brand by volume, India's largest utility vehicle manufacturer, and several of their businesses enjoy leadership positions in the industries in which they operate. They remain committed to investing in technology, growing their global presence and maintaining their leadership position. They have been India's No.1 UV and Tractor maker for a long time now. And they intend replicating the India success story on the global stage

CSR Policy:

Mahindra and Mahindra Limited in line with its core purpose has set its CSR vision to focus its efforts in critical constituencies that contribute to nation-building and the economy. In this manner, Mahindra and Mahindra Limited aims to enable its stakeholders and communities to RISE. The company aims to focus its CSR efforts within the constituencies of girls, youth & farmers through programmes designed in the domains of education, health and environment. Apart from making contributions to its Corporate Foundation's/Trust's projects (KC Mahindra Education Trust and Mahindra Foundation), the Company may also make contributions towards the corpus of the said Foundations / Trusts subject to the approval of the Board. The Company may also make contributions to 'think tanks' 2 for projects permitted under Schedule VII of the Act. The Board level Corporate Social Responsibility Committee of the Company is responsible for monitoring the CSR Policy from time to

time. The CSR Committee is responsible for approving and recommending to the Board, the projects or programmes to be undertaken, the modalities of execution and implementation schedule from time to time. Apart from recommending and approving budgets for project implementation, the Committee is also responsible for instituting a monitoring mechanism to track the progress of each project.

CSR Committee

The members of the Board Level CSR Committee of Mahindra and Mahindra Limited include Dr Vishakha N. Desai (Chairperson & Independent Director), Mr Anand G. Mahindra, Dr Pawan Goenka and Mr Vikram Singh Mehta (Independent Director). In addition to this, the company has set up a CSR Council chaired by the President – Group HR and Communications & Member of the Group Executive Board. This comprises senior management executives from all sectors, senior CSR executives and a CSR advisor. The CSR Council implements the CSR strategy and reports to the Board level CSR Committee.

CSR Activities:

1. Project Nanhi Kali –
Project Nanhi Kali, which translates to a ‘little bud’ in Hindi, supports the education of underprivileged girls in India. Designed

to support girls from low-income families to complete ten years of formal schooling, the flagship CSR project of Mahindra and Mahindra Limited has impacted the lives of over 450,000 girls (called Nanhi Kalis) from underserved communities across the country.

2. Mahindra Pride Schools

The Mahindra Pride School is a unique 90-day livelihood training programme for youths from socially and financially disadvantaged communities. With a 100% placement record, the nine schools in Pune, Patna, Chandigarh, Srinagar, Hyderabad, Varanasi and three in Chennai, trained and placed 6,045 students in FY 2019-20. Till Date, 39,280 youths have been trained through this programme.

3. Project Hariyali

Project Hariyali is the green initiative of Mahindra and Mahindra wherein the company aims at adding 1 million trees to India's green cover every year. The project, launched in 2007, has today become a movement among the company's employees, customers, vendors and dealers, as they undertake tree plantation drives across the country.

4. Integrated Watershed Management Programme

Integrated Watershed Management Programme is a project implemented in a Private Public Partnership (PPP) model with the Government of Madhya Pradesh in Bhopal, and in Hatta with the National Bank for Agriculture and Rural Development (NABARD), to increase the groundwater table of the region.

5. Saving Lives with Safer Roads

M&M Ltd. is partnering with Save LIFE Foundation and Maharashtra State Road Development Corporation Limited (MSRDC) to create India's first Zero Fatality Corridor (ZFC) on the Mumbai-Pune Expressway through interventions in 4Es i.e.

Engineering, Enforcement, Education and Emergency Response. The ZFC is a pioneering attempt to build a replicable model for road safety that can be implemented on any road. The aim of the initiative is to reduce the number of road crash fatalities on the Mumbai-Pune Expressway (MPEW) from an annual average of 140 to 0 by the year 2020, which marks the end of the UN Decade Of Action For Road Safety.

6. Employee Social Options

A long-running Employee Volunteering Programme, ESOPs is where Mahindra employees channelise their time and skills to address the needs of local communities. In FY 2019-20, 22,877 M&M employee volunteers contributed 1,63,818 person-hours towards giving back to society.

7. COVID-19 Relief

Resilience was tested at the end of the FY 2019-20, marked by the COVID-19 crisis. The crisis is testing the world's capability to respond to a pandemic at a time when the world is already grappling with acute inequalities based on gender, class, access to livelihood opportunities, amongst others. With the socio-economic impacts of the pandemic hitting vulnerable and marginalised groups particularly hard, there was a need for businesses to step up to support communities in need. Swiftly responding to this, Mahindra and Mahindra extended its support to the efforts of the Government machinery by responding to the crying need for products required to fight the COVID crisis. Accordingly, a decision was taken to use the company's manufacturing facilities to make personal protection equipment e.g., low-cost innovative ventilators, face masks and face shields. Further, the company set up a COVID-19 relief fund under the aegis of Mahindra Foundation, to provide relief to those most severely affected by the pandemic e.g., small businesses and traders, workers in the supply chain, and daily wage labourers.
